

# ANDRE VII

Andre VII is a producer, DJ, Live Act and founder of his own label "Platino Records". He is also in charge of music curation at several clubs and festivals including Bar Oriente and Sonar México.

His explosive ascent from the last years and back is due to his productions; including his remix of "Toro", and his collaboration with I Hate Models, which has been played by great artists like Seth Troxler, Amelie Lens, Hector Oaks, Farrago, Oostil, Mathame, and many more. The remix has amassed more than 3 million plays in Spotify plus other streaming services, with around 280K monthly listeners making Andre VII one of the most listened-to artists in his native Mexico. His latest release, "Local Suicide, Skele-sis - Moustache (Andre VII Remix)" was hosted by German record label Iptamenos Discos featuring a Vinyl release alongside remixes of Adana twins and Curses.

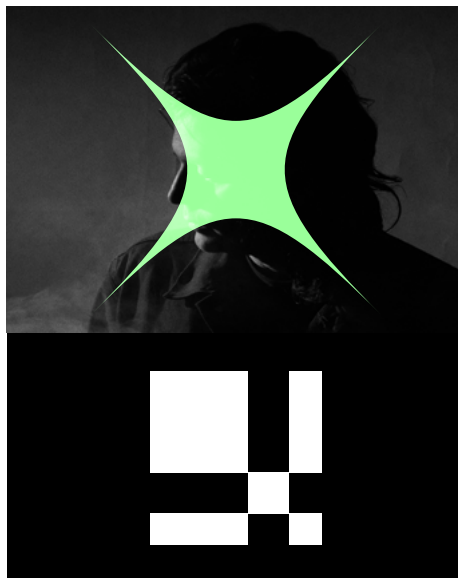

Besides performing in many countries including South Korea, USA, France, Italy, England, Holland, Germany, Spain, Costa Rica, Colombia, Guatemala, Peru and Argentina, Andre VII has consolidated his stance as a reference in the Electronic / Techno scene of his native country and all of Latin America.

He has performed in the most important festivals in Mexico and the rest of the world like:

Sonar, Ceremonia, Glastonbury, Airhouse Festival Korea, Ultra Music Festival, Output, Resistance, House of Vans, EDC Mexico, SXSW, The Social Festival, Vive Latino and Bravo.

His performances in European clubs include Sisyphos, Renate, Tunnel, Golden Gate, The Sanctuary, Macera, Lula Club, La Dame Noir and others.

Andre VII is also a recurrent guest of the best clubs in Mexico including Bar Americas, Bar Oriente, Funk, Looloo, Casa Cobra, Topaz Deluxe, Disco Radar and Hardpop.
